Cell: 7347780482

SUMMARY OF EXPERTISE:

Dr. Usama Khalid is a board-certified Emergency Physician with over 10 years of experience treating patients in the Emergency Department. He has worked in a diverse array of urban and suburban settings, garnering a wealth of perspective in his clinical practice. He is also specialized in Advanced Emergency Medicine Ultrasonography, serving as a highly rewarded educator and administrator with his expertise. Dr. Khalid has contributed authorship on various topics pertaining to Emergency Ultrasound and served to establish continued certification requirements for the board.

Dr. Khalid has a passion for teaching, which he applied by educating and mentoring a multitude of medical students, residents, and fellows as an Assistant Professor at Emory University – School of Medicine. Additionally, he has also worked in multidisciplinary teams to create didactics and hands-on courses for Nurses, Medical Technicians, Advanced Practice Providers and other Physicians.
